OFF ROAD TIMES

GETTING DIRTY AND HAVING FUN!

Club Appreciation Event

We had a good turnout for the club appreciation event, and had a great time. We wheeled on several trails. Then we had a blast playing in the driving events like the blindfold race, and the ball and barrel race; followed up by wheeling some more trails. We enjoyed a delicious meal and good company at the end of the day.

Stolen Jeep!

Please keep a lookout for Bruce Scott's CJ-5 Jeep. The Jeep was stolen from a parking lot in Branson. It would be possible for the jeep to have made it down to Arkansas. The Jeep is a gray '79 CJ-5.

Christmas Family – We started collecting at the October meeting. For November and December bring 2 non-perishable items per person, or pay \$5.00 per family for admission to the meeting. The food and money will be used for a family in need. Justin Coffer knows of a family and shared this information at the November Meeting.

Southwest Four Wheel Drive Association

President Alex Turner had attended the Jeep Club meeting. They had discussed the possibility of our Club working with the Jeep Club on an event for Big Brothers/Big Sisters. The Jeep Club wants to take the kids, along with their Big Brother or Big Sister out on the trails for a trail ride. So vehicles would have to seat at least 3 passengers to participate. The Jeep Club is talking about sometime in the spring, possibly March, April, or June. They are hoping to take out 50 kids, and need additional vehicles over their own. The Jeep Club advised they are taking care of waivers for the event. We discussed the legalities of having riders in our vehicles, especially kids. We had looked at this a few years ago on another event which involved taking people out on the trails. Even though waivers are signed, we have been told in the past that the driver of the vehicle could be personally held liable, along with the sponsoring organization. So the legalities of the event are an issue that will need to be researched further. There will be more information on this in the future.

Bolivar Christmas Parade

Participants in the parade are to meet in the Bolivar Wal-Mart parking lot December the 8th at Noon. Participants will then go to the line-up spot at the SBU campus. The parade will start at 2 P.M. If you interested in participating please let us know at the December meeting, or call Alex Turner. There is talk of us possibly meeting for lunch/dinner after the parade at El Rodeo. Hope to see you there.

KANSAS ROCKS

Wheelin' for Toys will be held at KanRocks on 12/08. Entry is \$7.00 plus a toy. Entry includes the park admission and raffle. Must be pre-registered by 11/24. Flier included in the newsletter.

Some people were discussing going to **SMORR** over Thanksgiving weekend. Check their website for information on the park.

Justin Coffey had gone down to Snowball to check it out. Cost to enter was \$15.00 for razors, \$20 for Jeep or truck. Park opens around 9:00am. Justin said we could get a better discount with a group going.

Other places looked at for possible runs –

Cassville – It was advised that many of the trails are not good for trailriding anymore. That our Adopt-a-Trail is completely closed off from Highway M.

Chadwick

Eureka Springs – We had talked about going wheelin' during the day, and then dinner afterwards in Eureka.

Pineville, MO on south 71.
