# OFF ROAD TIMES

GETTING DIRTY AND HAVING FUN!

## 4-Wheel Jamboree

President Alex Turner would like to thank everyone for all their hard work at the Jamboree. He reminded everyone that, though the Jamboree is a lot of work, by doing this one event, it paves the way for us to do events all year. Everyone did a great job!

It was discussed that the show numbers were down for this year, even with the date change. Some people felt that the change in the date wasn't promoted enough. That was a very hot weekend also, which may have discouraged some participants. So we will see what Special Events is looking at for 2014.

There was a mix-up on the Host Club shirts, and nothing was shipped to us larger than an extra-large size shirt. Our order was confused with the Street Machines, so they are shipping the larger shirts to Leola, and they will be given to Club members who had signed up to work, and did not receive a shirt.

It was also suggested that next year, especially if it's in June, that the Club only purchases water and Gatorade, as that seemed to be what everyone wanted this year.

## Southwest Four Wheel Drive Association

**SWFWDA Quarterly Meeting** is coming up quickly for Friday 7/26 and Saturday 7/27! We are looking at two trail rides on Friday, and two on Saturday. Sunday will be on your own.

**Reservations**-Please remember, if you need camping reservations or hotel reservations to look at getting those set up A.S.A.P. We have a few pre-registrations at this time, but it looks as though we will have many participants who are planning on registering upon arrival.

**Dinner** will be at 6:00pm on Saturday night. Cost is \$11 per person for the meal, even for Club members. This will include a burger and sides, dessert, and a drink. Meal tickets will be sold to Club members at registration. It would be greatly appreciated, for those of you participating in the meal to purchase them Friday or Saturday morning, so that we can try to give Brandon an idea on how many will be eating Saturday evening.

**Raffles** were discussed. If anyone has anything they can get donated, it is most appreciated. If we don't get donations we may need to purchase some items for give-a-ways.

**T-shirts** have been ordered for the workers at the SWFWDA event, bright orange, with the Club logo on them.

## Congrats, Austin!

Austin Schweke participated in a mud run, the evening of the June Monthly Meeting at Macks Creek. Austin took 3<sup>rd</sup> place the previous week at another Mud Run.

***Keep up the good work!***

## Thank you, Raymond!

Raymond Goodin, historian, is working on digitalizing the photos that were in the Club trailer. It is a big job and we really appreciate Raymond's hard work and effort on this project!

## *Thank you*

We received a Thank You card from Kenny Adams and family for the donation the Club made to the Shriners Travel Fund, in Jeannie Adam's memory. This fund helps children and their families with travel expenses when traveling to the Shriners Children's Hospital for treatment.
