OFF ROAD TIMES

GETTING DIRTY AND HAVING FUN!

Southwest Four Wheel Drive

The SWFWDA Quarterly Meeting has officially been set for the weekend of July 26-28, 2013. President Alex Turner sent the proposal to SWFWDA and has been approved.

The cost would be \$75.00 per vehicle, which includes the driver and one passenger. Camping fees would be separate. (A copy of the proposal is attached.)

Club members will be needed for Trail Guides and other jobs needed to make this a success. A work list was passed around at the meeting. Cost for Club members will be \$45.00 for the weekend of wheeling, and the meal will be \$11.00 per person. It was discussed that the Club pay the park entry for the Club Trail Guides and workers, and meals would possibly be at members own expense. There will be more discussion on this later as to what the Club will pay for.

Also discussed, was to have bright recognizable shirts for Club members to wear, making them identifiable to the SWFWDA members.

CLUB SIGN

The Sign is up and looks awesome!

4 Wheel Drive Hardware ask to be listed as a link on our website in turn we would be listed on theirs as a local club. Our president is going to discuss with them discounts or rebate programs available (if any) for club members. The decision was made to go ahead with this idea and all future requests like these be brought up in the meetings for discussion.

Thoughts & Prayers

Jeannie Adams: Services were graveside and the club decided to make a donation to the Shriner's club of Carthage Traveling Fund, which helps children in need be able to afford travel expenses to the Shriners Hospital for treatment.

Larry Ward has stage 4 Lymphoma Cancer. He was a vital part of the club in its early years also holding many officer positions over the years.

Club information:

Informational cards: These are the small and large cards we hand out at our events. Leola advised that they have been ordered and are ready for pickup.

Stickers: President Alex Turner discussed needing to order new stickers and is checking pricing on the large and small sizes.

Membership cards: It has been in the past that members would get a card for the year showing membership. Discussion has come to state that the cards are no longer needed.

Flowers or Donation: It was discussed and voted on that we would do flowers or money donation in the case of death. Leola Dreiling and Cindy Gambriel will confer and take care of the matter based on the situation.
